REMSOFT UPDATE

Dear Commodore User,

We are offering you a fantastic deal. A chance to obtain a special discount membership to REMSOFT, an extensive 32 page software catalog and better yet **FREE SOFTWARE VALUED OVER $40.** But **best** of all you will be exposed to the greatest value in the Commodore computer world - high quality, **exclusive** software priced at around $3 a program! If you're interested in saving hundreds of dollars, then read on. . .

Please do not confuse REMSOFT with public domain! We are **not** public domain and we are **not** fairware. REMSOFT is truly remarkable software: Exclusive, quality, and economical. Our quality programs range from $2 to $9 each, with the average price under $3 per program!

We realize that many people may be skeptical about something 'too good to be true' and that is why we are offering you free software without any further obligation. Seeing is believing. How many other software companies give you free software before you buy?

Look again at some of the advantages of REMSOFT:

* **QUALITY SOFTWARE AT REMARKABLE PRICES** - Commodore 64 and 128 programs priced from $2 to $9 each, exclusive to REMSOFT.

* **SPECIAL FEATURES** - All REMSOFT programs include a unique and easy-to-use menu and loading system, and special always-active features, including instant menu recall, and the incredible ability to instantly save and load information from a program!

* **YOU CHOOSE** - All programs are listed in our catalog with individual descriptions, making it easy for you to choose the programs you want. And what a selection! Over a thousand original programs in our current catalog alone.

* **INFORMATIVE NEWSLETTERS** - Including software reviews, articles of interest, and special discount offers.

* **EVER EXPANDING** - REMSOFT is continually developing more and more new and unique programs. Our diversity is second to none, covering education, entertainment, engineering, business, home, personal, science, technical, utilities and so on.

Don't miss out on one of the best values in the Commodore world! Just send the enclosed membership certificate with your **ONE-TIME** membership fee of only $7.95 (plus postage and handling) and we will send you our value packed catalog, your first REMSOFT newsletter and most important your **FREE SOFTWARE** valued over $40. You won't be disappointed!

I look forward to helping you get the most from your Commodore.

Yours for even better computing,

Robert Kelton
